

PHARMACEUTICAL / BUSINESS DINNERS

— Custom menu design for business functions begin at \$65 per person —

THE GOVERNOR'S ROOM · THE PRESIDENT'S ROOM

Let our chefs help you design an evening to remember as you and your guests are treated to a procession of small “tastes” (5 to 12 courses) of the most exciting and seasonal dishes we have to offer. We serve the finest meats, seafood, and farm-fresh produce to make sure that your menu uniquely suits the occasion.

All rooms have complete audio and visual capabilities.
